DEAR RICK,

Once again I praise you for
your good character.

The work you did for me
is wonderful. I have never enjoyed
my ups and downs until now. You gave
me good advice & produce a lovely
stairwell & handsome new livable
bedroom. And you did it on time
and within our agreed on price range.
Never once did I feel uncomfortable
when you & your crew of men were
here.

I am so pleased with your
completeness... always adding
to my trust in you, Rick.

Thanks for your skills
and for the honesty you showed
me.

Anna
